portrayal of the drug wars in Colombia. Juan Gabriel Vásquez has been hailed not only as one of South America's greatest literary stars, but also as one of the most acclaimed writers of his generation. In this gorgeously wrought, award-winning novel, Vásquez confronts the history of his home country, Colombia. In the city of Bogotá, Antonio Yammara reads an article about a hippo that had escaped from a derelict zoo once owned by legendary Colombian drug kingpin Pablo Escobar. The article transports Antonio back to when the war between Escobar's Medellín cartel and government forces played out violently in Colombia's streets and in the skies above. Back then, Antonio witnessed a friend's murder, an event that haunts him still. As he investigates, he discovers the many ways in which his own life and his friend's family have been shaped by his country's recent violent past. His journey leads him all the way back to the 1960s and a world on the brink of change: a time before narco-trafficking trapped a whole generation in a living nightmare. Vásquez is "one of the most original new voices of Latin American literature," according to Nobel Prize winner Mario Vargas Llosa, and *The Sound of Things Falling* is his most personal, most contemporary novel to date, a masterpiece that takes his writing—and will take his literary star—even higher.

Mary and Ross were in Rome on a junior-year-abroad program when they had their baby, Natassia, who was conceived on a dare: “Do it with no birth control,” another couple had challenged. “We’ll do it if you do it . . .” Mary and Ross are unmarried, ambitious, and way too young, and though smitten with their daughter, they eventually—and with regret—abdicate responsibility to Ross’s parents, who raise Natassia in the intellectually stimulating (and seemingly loving) atmosphere of their Manhattan apartment. Fifteen years later, 1989, Natassia is an Honors student and a violin player. Despite the absence of her mother, a world-class modern dancer who survives by living in the moment, and her father, a physician in the Pacific Northwest, Natassia is thriving—until her mysterious romance with a man she will not identify derails her so profoundly that her parents, grandparents, and even her godparents, Nora and Christopher, must come together to save her. A dancer, a doctor, two book editors, a painter and a psychotherapist—all are forced to turn away from and also draw upon the creative and intellectual endeavors that consume and define them. Struggling to buoy Natassia, her guardians sink along with her into the deepest darkness. Mary, a Korean war orphan, must learn from step one how to provide the mother love she herself never received; indeed, the daughter's breakdown sparks the mother's coming-of-age. Ross, still in love with Mary after ten years’ separation, must face the consequences of his obsessions. And Nora and Christopher, burdened by a decades-old secret, use desperate measures to save Natassia—and their marriage. Casey Coffield has a growing list of personal flaws he keeps locked away in his head: He's never on time. His list of IOUs to his best friend is endless. Money is always short. Goals are never in reach. Oh, and he's decided to add college drop-out to that list, too. He doesn't really think that last one's such a bad thing, but his family insists it is, so it stays on the list. On paper, he's a zero. But in person, when he's mixing tracks for a sea of bodies at the hottest clubs and parties, he's downright irresistible. Just-right stubble on his chin, body of a boxer and a smirk that stimulates all the right nerves—women have never been a problem. They flock to his swagger and fall for his charm...fast. All except for this one. Purple hair, gray eyes, a raspy voice and sass, Murphy Sullivan is a little bit country and a little bit rock-n-roll. And her and Casey? They have history. He can't remember it, but she wrote a song about him—and it's not exactly a love song. But it is good. Damn good. And uncovering her inspiration just might be the key to solving a few of his shortcomings—not to mention open doors to his own big break in the music industry. But sometimes dreams get messy when they collide. Sometimes life

### **Falling Up**

A Short History of Falling - like The Diving Bell and the Butterfly, and When Breath Becomes Air - is a searingly beautiful, profound and unforgettable memoir that finds light and even humour in the darkest of places. Now with a Foreword by Joe's widow, Gill Hammond We keep an old shoebox, Gill and I, nestled in a drawer in our room. It's filled with thirty-three birthday cards for our two young sons: one for every year I'll miss until they're twenty-one. I wrote them because, since the end of 2017, I've been living with - and dying from - motor neurone disease. This book is about the process of saying goodbye. To my body, as I journey from unexpected clumsiness to a wheelchair that resembles a spacecraft, with rods and pads and dials and bleeps. To this world, as I play less of a part in it and find myself floating off into unlighted territory. To Gill, my wife. To Tom and Jimmy. A Short History of Falling is about the sadness (and the anger, and the fear), but it's about what's beautiful too. It's about love and fatherhood, about the precious experience of observing my last moments with this body, surrounded by the people who matter

most. It's about what it feels like to confront the fact that my family will persist through time with only a memory of me. In many ways, it has been the most amazing time of my life.

Nolan Lennox had things figured out. Named after a baseball legend, she enjoyed being the Tomboy, her closet filled with her brother's hand-me-downs, cut-off jeans and soccer shorts. But when her first trip to high school results in a broken heart from the first boy to ever make her heart flutter and cruel words from an older girl she once thought a family friend, Nolan starts to question the very person she

thought she was and wonders if her humble upbringing can compete with the afforded luxuries of her privileged peers. Throughout the next four years, Nolan struggles to maintain herself throughout her path of discovery, learning just how cruel teenagers can be through the pressures of underage drinking, sexuality and class. And despite how life seems to continue to work against her, she still manages to listen to her heart, falling deeper and deeper for the guy the entire town adores, even if he only sees her as a friend. Can Nolan strike a compromise between her own integrity and the boy she loves? And can she make him notice her before it's too late? Reed Johnson came to Coolidge High School with a lot of fanfare. The son of a hometown football legend and the brother of a local football hero, Reed wore all the pressures of carrying a town without hope into the spotlight. Thankfully, he had the talent to back it up. But when he meets a girl who makes him think twice about exactly what being a hero means, he starts to wonder if following in his brother's footsteps might be all wrong. Nolan Lennox was everything that was opposite of expected. She didn't flirt, she didn't drink and she didn't sleep around. Nothing about her was easy, but something about her made Reed want to try harder. Though she didn't look the part, she seemed to be spending a lot of time in Reed's thoughts, and he wondered if she could be the one who made it all worthwhile. But could Reed handle letting her down? And would breaking her heart break him beyond repair? *Waiting on the Sidelines* explores young love to its fullest, exposing how real young heartbreak and passion is and how important it is to discover yourself and hold onto your own identity. The story

follows two young characters as they deal with mature situations, including the prevalence of bullying and promiscuity in today's high school setting. Ultimately, *Waiting on the Sidelines* is a story of hope, honesty and those powerful, first true loves—the ones worth holding onto at any cost.

debut novel, about a Chinese American family living in 1970s small-town Ohio. Lydia is the favorite child of Marilyn and James Lee; their middle daughter, a girl who inherited her mother's bright blue eyes and her father's jet-black hair. Her parents are determined that Lydia will fulfill the dreams they were unable to pursue—in Marilyn's case that her daughter become a doctor rather than a homemaker, in James's case that Lydia be popular at school, a girl with a busy social life and the center of every party. James, consumed by guilt, sets out on a reckless path that may destroy his marriage. Marilyn, devastated and vengeful, is determined to find a responsible party, no matter what the cost. A Sunday Times (London), Best Book of 2018 “A thoughtful, entertaining, and occasionally profound critical study of the texts that entertain, move and, sometimes, shape us.” —The Spectator (London) “A bold, witty, and brilliantly argued analysis of the role pop culture has played in the rise of American extremism.” —Ruth Reichl “You’ll never look at your favorite movies and TV shows the same way again. And you shouldn’t.” —Steven Soderbergh A bestselling cultural journalist shows how pop culture prepared Americans to embrace extreme politics Almost everything has been invoked to account for Trump’s victory and the rise of the alt-right, from job loss to racism to demography—everything, that is, except popular culture. In *The Sky Is Falling* bestselling cultural journalist Peter Biskind dives headlong into two decades of popular culture—from superhero

franchises such as the Dark Knight, X-Men, and the Avengers and series like The Walking Dead and Game of Thrones to thrillers like Homeland and 24—and emerges to argue that these shows are saturated with the values that are currently animating our extreme politics. Where once centrist institutions and their agents—cops and docs, soldiers and scientists, as well as educators, politicians, and “experts” of every stripe—were glorified by mainstream Hollywood, the heroes of today’s movies and TV, whether far right or far left, have overthrown this quaint ideological consensus. Many of our shows dramatize extreme circumstances—an apocalypse of one sort or another—that require extreme behavior to deal with, behavior such as revenge, torture, lying, and even the vigilante violence traditionally discouraged in mainstream entertainment. In this bold, provocative, and witty investigation, Biskind shows how extreme culture now calls the shots. It has become, in effect, the new mainstream.

Read it quickly because, at your age, you never know Tom Dryden, who runs an advertising agency by day, started writing his column, *Doubting Thomas*, in 1999, for the local newspaper in Wilton, Conn., where he lives with his wife, Judy, two college-age sons, and two idiot dachshunds. He was pleased to be named Best Humor Columnist in New England by the New England Press Association until he

remembered that nobody in New England has a sense of humor.

### **This Is Falling**

Sooner or Later Everything Falls into the Sea is the Philip K. Dick Award-winning debut short story collection from Sarah Pinsker, author of the Nebula Award-winning *A Song for a New Day*. Pinsker has shot like a star across the firmament with stories multiply nominated for awards as well as Sturgeon and Nebula award wins. The baker's dozen stories gathered here (including a new, previously unpublished story) turn readers into travellers to the past and the future, and explorers of the weirder points of the present. The journey is the thing as Pinsker weaves music, memory, technology, history, mystery, love, loss, and even multiple selves on generation ships and cruise ships, on highways and high seas, in murder

houses and treehouses. They feature runaways, fiddle-playing astronauts, and retired time travellers; they are weird, wired, hopeful, haunting, and deeply human. They are often described as beautiful but Pinsker also knows that the heart wants what the heart wants and that is not always right, or easy.

### **Falling in Love with Natassia**

Ajahn Chah (1919–1992) was admired for the way he demystified the Buddhist teachings, presenting them in a remarkably simple and down-to-earth style for people of any background. He was a major influence and spiritual mentor for a generation of American Buddhist teachers, including Jon Kabat-Zinn, Sharon Salzberg, and Jack Kornfield. Previous books by Ajahn Chah have consisted of collections of short teachings on a wide variety of subjects. This new book focuses on the theme of impermanence, offering powerful remedies for overcoming our deep-seated fear of change, including guidance on letting go of attachments, living in the present, and taking up the practice of meditation. *Everything Arises, Everything Falls Away* also contains stories and anecdotes about this beloved master's life and his interactions with students, from his youth as a struggling monk to his last years when American students were coming to study with him in significant numbers. These stories help to convey Ajahn Chah's unique spirit and teaching style, allowing readers to know him both through his words and the way in which he lived his life.

## **Falling Under**

I'm the selfish one. I suppose that's the nicest thing people say about me. I've heard the other things, too. "Paige Owens is a pretty girl with nothing else to offer. She's just a good time at a party. She's stupid, heartless, cold and useless. All she cares about is getting a guy to look at her. Why would anyone want to be her friend?" Some of those things are true. Others were true. They're all hurtful. None of it matters. I'm ready to make the hard choices. I'm ready to face the consequences. I'm ready to be the girl I was before, and I'm done being the one who lost her way. I'm ready to become the girl Houston Orr sees when he looks at me. Houston isn't a star athlete. He doesn't play in a band. He's never going to be president, and his life is so far away from simple and easy it isn't even funny. He wasn't part of my plan. But I'm starting to think plans are overrated, and maybe our stories are what we make them. And mine depends entirely on me, and the choices I make...starting now. Houston is my fairytale. He's perfectly imperfect. He's poetry and life. He's truth and heartbreak, all rolled up in a tall body with dark hair, broad shoulders and green eyes that lull me into submission. He's nothing I ever thought I wanted, but the very thing I need. He's the only guy I've ever really loved, and he thinks I'm a princess. I fell into him, and now I'm holding on. But sometimes life takes away our ability to choose. Sometimes...things aren't in your

control. Sometimes, it hurts to be selfless. My only hope is that when it comes time to choose, I get it right. Welcome to my once upon a time and wish for happily ever after.
